

THE VALLEY CITY.

SENTIMENT DIVIDED ON THE CURRENCY QUESTION.

The Commencement Season—A List of Graduates—Convention Notes—The Young Men's Christian Association—Property Sale.

STAUNTON, Va., May 11.—(Special.)—Up here in Staunton, which is sometimes dubbed Seminaryville, public interest is divided. The men are talking silver, unit rule, municipal election, and the softer side is wrought up over the matter of bicycles and the seminary commencements.

Staunton is probably opposed to silver, but the white metal is believed to have the call over its yellow rival on the farmers of Augusta, so on the "round-up" the silverites will be right in the band-wagon. Even among the silvermen there are some who have misgivings as to the policy of enforcing in Virginia the proposed unit rule.

In view of the approaching commencements, the school-girls are busy with music, millinery, and the very air is vibrant with the notes of etudes, Nocturnes, Polonaises in B minor, from the music halls, and in the elocution-rooms are being resurrected again "Archie Dean" and "Curfew Shall Not Ring To-night."

SWEET GIRL GRADUATES.

The commencement season will begin Sunday, May 12, with the thirty-fourth annual commencement of the Mary Baldwin Seminary, when the baccalaureate sermon will be preached in the First Presbyterian church in the person of Rev. Robert W. Smith, D. D., of Greensboro, N. C. On Monday, June 1st, at 8 P. M., will take place the annual concert, and on the following day, the commencement exercises and awarding of honors will be had in seminary chapel.

The Dispatch correspondent has secured a list of the graduates of 1896, and they are these:

CONVENTION NOTES.

Senator Thomas S. Martin will be the guest of City Treasurer Arister Hoge, at his handsome home on Kalorama street, during the State convention.

Senator Martin will be at the home of his father's when in Staunton. In the 40's the Senator's father removed from Scottsville, and was in the commission business with his father-in-law, Mr. Thomas Stables, and it is from his maternal grandfather and father's partner, that the present Senator gets his Christian name.

The condition of Colonel John Lewis Peyton, who was so ill a few days ago, has materially improved.

Mr. A. J. Ford, of Richmond, has been at Waynesboro, recently, with a large force of workmen retreating his recent purchase—the Hotel Brunswick—which he will operate as a hotel.

The twenty-second annual report of the Staunton Young Men's Christian Association, made last week, shows that the library has 250 volumes, and that there is a membership of 280. Treasurer J. A. Alexander's report shows that the association has received \$1,233. Disbursements, \$1,192.21; cash in hand, \$10.57.

Mr. H. G. Eichelberger and Mrs. Sadie Eichelberger have sold a half interest in variety Springs, near Chesapeake, to the Ohio railway, west of Staunton, to City Chesapeake and Ohio Ticket-Agent James Ker, Jr., for \$2,500.

The commencement exercises of the Virginia Female Institute, Mrs. J. E. B. Stuart's school, will be held Monday and Tuesday, June 15th and 16th.

Friday, May 29th, the public schools of the city will close, with commencement proceedings in Columbian Hall.

Bishop J. B. Newton, of Richmond; Colonel William A. Anderson, of Lexington; and Attorney-General R. Taylor Scott were among the prominent speakers at the board meeting of the Virginia Female Institute held this week. At the meeting the board was reorganized in accordance with an act of the last Legislature, necessitated by the division of Virginia into two districts.

Augusta will on Saturday, the 16th, in the various material districts, elect delegates to the Staunton convention. By this method the gold men will be likely to get in a delegate here and there.

The belief that Weatherholtz, the Shenandoah county wife-killer, was exploiting himself through Augusta this week proves unfounded.

CAPE CHARLES CITY.

A Serious Fire Averted—An Enjoyable Dance.

CAPE CHARLES, Va., May 11.—(Special.)—Fire broke out in the grocery-store of Williams & Nelson, on Mason avenue, about 4 o'clock a few mornings ago, but was discovered before it had gotten beyond control. In a few minutes after the alarm was given about 100 men were on hand, and soon put an end to what might have been a great conflagration, as the building, which is a brick one, adjoins a long row of wooden buildings. The loss was small, and was covered by insurance.

The young people of this city gave a very enjoyable dance at the Cape Charles Hotel the other evening. The large dining-room, which was beautifully decorated with hanging and floor lamps, presented a beautiful sight when the party of dancers, who were in full dress, marched in to the strains of enlivening music furnished by the Rocky Mount (N. C.) String Band. About 6 o'clock the party was invited to an adjoining room, where a lunch was served. Dancing was kept up until a late hour.

THE EASTERN SHORE.

Political Notes—The Unit Rule—Personal and General.

ONANCOCK, Va., May 11.—(Special.)—Dr. John W. Bowdoin, chairman of the Democratic party of Accomac, has called a mass meeting for this county in the 25th instant to elect delegates to the State convention. From the best information obtainable, it is safe to say that an overwhelming majority of the Democrats of the Eastern Shore are in favor of the free and unlimited coinage of silver at the ratio of 16 to 1; but they will hardly vote for the enforcement of the unit rule in the Virginia delegation at the national convention.

Captain Orris A. Browne, of Cape Charles, has purchased of Rev. W. C. Handy, "The Hammocks," a fine old farm, near Nassawadox, in the northern part of Northampton, for \$150. Captain Browne has for nearly ten years been superintending the famous Hollywood farm, near Cape Charles, which, under his skillful management, has become one of the most celebrated truck farms in the country. For many years Captain Browne was a valuable member of the Virginia Board of Agriculture. He is

the pioneer in the movement for good roads in Eastern Virginia.

REPUBLICAN POLITICS.

The Republicans of the First District will hold their convention in Cape Charles some time during the coming month, to nominate a candidate for Congress. It is said that Dr. George T. Scarborough, of Accomac, would not be averse to receiving the nomination. He is one of the delegates from this district to the National Republican Convention, and is a red-hot McKinley man. A few years ago the Doctor was a red-hot Democrat.

There was a heavy frost all over the Eastern Shore Thursday night, but it is not believed that it did much damage to anything, except late-planted sweet-potatoes.

OLD RECORDS.

Mr. Thomas T. Upshur is engaged in copying the old court records of Northampton—the oldest continuous court records in Virginia. If not in the United States. He has just completed the second volume, covering the years from 1660 to 1665. The first volume, which Mr. Upshur completed several years ago, covers the period from 1625 to 1660. It is a most accomplished and enthusiastic antiquarian and is doing his work in the most satisfactory manner. In his magnificent book on "The Cabells and their Kin," the record of the year in which the Eastern Shore was divided into two counties. None of the records of Accomac have yet been copied.

The happiness of married life depends on the wife's health. An ailing woman is a source of discontent to her husband. Women by taking more interest in their own physical condition and general health, will find that the foundation for married happiness and every other happiness, is laid in the health of the wife.

More than half of the suffering which afflicts the energies and sours the disposition of women is directly traceable to some disorder of the organs distinctly feminine. There is no real need of such suffering, and it is curable by Dr. Pierce's Favorite Prescription, which reaches and strengthens the internal generative organs as no other treatment can possibly do. By restoring health and strength to this most important part of the feminine constitution, the "Favorite Prescription" gives new tone and energy to all the rest of the body.

One of the most deeply interesting and truly educating books ever written is "The People's Common Sense Medical Adviser," by Dr. R. V. Pierce, Chief Consulting Physician of the Invalids' Hotel and Surgical Institute, Buffalo, N. Y. This splendid volume of 100 pages, which includes ninety pages on the subject of diseases peculiar to women, with directions for home treatment, rendering unnecessary the embarrassing examinations and general "local treatment," so dreaded by modest women. The book contains the most comprehensive explanation of human physiology and the rational principles of hygiene ever published. Illustrated with over 300 engravings—a complete medical library in one volume. No other medical book in the English language ever had such an enormous sale. 650,000 copies were sold at \$1.50 each. Dr. Pierce is now distributing a new free edition of half a million copies. A copy will be sent absolutely free to anyone who will send to the World's Dispensary Medical Association, Buffalo, N. Y., 21 one-cent stamps to pay cost of mailing only. The present edition is in all respects the same as that sold at \$1.50 except only that it is bound in strong manila paper covers instead of cloth.
